Prophecy / Revelation

Written: 90-95 AD
Time Period: All Eras
22 Chapters
Written by Christ Through John

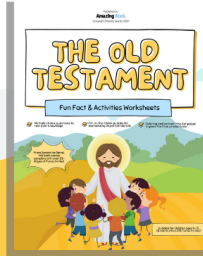

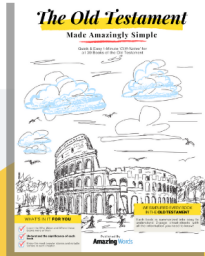

Overview

John the Apostle wrote this epistle after being sent away to the island of Patmos. His wrote it in two parts: the first was speaking to the Seven Church of Asia and the events at the time it was written. The second part prophesied of the end of the world and days in the future. Almost exclusive prophecy, Revelation is similar to old testament prophets like Amos, Isaiah, Jeremiah, Daniel and Ezekiel. While radical and very symbolic, the book can be relevant to christians of the millennium.
